Dear Mayor Tatzin and Council Members:

The 2009 Lafayette Reservoir Run is set for Sunday, October 25. Throughout its 17 year history, this event has been co-sponsored by the City of Lafayette and the Chamber of Commerce. We would appreciate your continued support for this great community event.

In past years, the City Council has chosen to designate its portion of the proceeds directly to the Lafayette elementary and middle schools. As a result, the majority of the net proceeds go directly to the schools. We respectfully request that you again agree to this arrangement.

There are other items for which we seek City approval. Specifically, the Run Committee requests the following:

- Closure of Mt. Diablo Boulevard from First Street to El Nido Ranch Road from 6:00am to 10:30am on Sunday, October 25. We understand one lane must remain open at all times for emergency vehicle access. As we have in the past, we will assume responsibility for posting notices in advance of the closures.

- The cooperation of the police and public works departments in implementing the street closures and traffic controls;

- Permission to hang street pole banners from approximately September 21 through October 25;

- Information about the Reservoir Run and all associated activities be included in the next issues of Vista and the Community Center brochures.

We appreciate the tremendous support the City has provided in the past and look forward to another great Reservoir Run.

Sincerely,

Jay Lifson, C.E.O.
